SKILLS

Product scouting & market/trend research for the fashion/housewares industry.

Product design & development including rendering, model making, branding & presentation.

Industrial design for ceramics, furniture & textiles.

Proficient in Photoshop, Illustrator, InDesign, Microsoft Office, both Mac & PC platforms & social media.

ABOUT ME

I have learned that it's important to ask a lot of questions. How else do you get good answers? It's my belief that the best products and stories are backed up by narrative and a sense of humor. I love working with other people and I believe that a single small act can make a huge difference.

EXPERIENCE

Editorial Assistant at Lonny Magazine, New York City

January 2011-February 2011
Proposed and developed editorial content for the magazine and the blog, attended press events, scouted features, assisted in managing daily intern tasks and helped with office organization and scheduling.
www.lonnymag.com

Intern at Lonny Magazine, New York City

September 2010-December 2010
Assisted with gathering editorial content for the magazine and daily blog and social media updates as well as watching trends and being the forefront of the interiors and housewares market. Also managed office e-mail, correspondence, press inquiries, etc.
www.lonnymag.com

Retail Staff at Task New York, Brooklyn, NY

November 2010-present
Part-time retail work includes changing mannequins and window displays and doing in-store product photography.
www.tasknyc.com

Intern at Bidoun magazine, New York City

Summer 2010
Assisted with preparation for the "Bidoun Library" exhibit at the New Museum, New York. Duties included Photoshop work and organizing visual materials.
www.bidoun.org

Collaboration with Muuto, Copenhagen, Denmark, 2009

Through the Danish Design School I met with Muuto designers, learned about the brand and designed items that could fit in their product line.
www.muuto.com

Trend Forecasting Workshop with Maria Mackinney-Valentin of Dutch Agency Trendbox, Copenhagen, Denmark, 2009

Participated in workshop focused on identification of subculture, and the translation of social identity studies into a visual medium. Culminated in an in-depth study and presentation on an emerging trend.

Intern at music video shoot for YACHT, Portland, Oregon

June 2008
Helped on set with props and organization during filming.
